### DRAFT Agenda:

- Introductions
- Overall site status of cleanup progress
- Overall site status concerning redevelopment
- EOI/Opus presentation on redevelopment plan for Opus property parcel
- Off-site migration of contamination at FF Building Area and remedy ideas
- Permit status
- Path forward

### Parking and Access:

- The visitor parking lot is the southwest lot just prior to the controlled entry gated area, accessible via Renner Boulevard.
- All visitors to the regional office must report to the guard's desk, through the center bank of doors marked Visitor Entrance, at the front of the building.
- To obtain a visitor badge, all visitors must show a government-issued photo ID (driver's license, federal, state, or local agency ID, etc). Visitors will not be allowed entry without valid photo ID.
  - RO - Visitors at the RO will receive a visitor badge, valid for that day only, from the security guard, which must be displayed in plain sight at all times.
- All visitors must be processed through the magnetometer and their carry-in items (packages, bags, laptops, etc.) will be x-rayed.
- After receiving the visitor badge please contact extension 7006 to be escorted to the meeting room.
